

METAL FINISHING EQUIPMENT and SUPPLIES

ANODES - Copper, nickel, zinc, tin & tin alloys, graphite, lead, silver in balls, nuggets, pellets, bars, ovals and rounds by Becker, Net Global, Palm, Univertical and ZMC

ANODE BAGS - Poly, napped poly, poly felt, cotton in all sizes

ANODE BASKETS - Steel, stainless, titanium, graphite by Titan Metal and Republic

BLOWERS - Regenerative air, pressure blowers by Rotron and Fuji

CHILLERS - Ice bank, anodize, and bath chillers by Carrier, York and Hydro-Miser

CONTROLS - Amp-hour, conductivity, ORP, pH, temperature, pressure and electroless controllers by JP Technologies, Palm, Protec, Rapid/Dynapower and Walchem

DRYERS - Spin dryers, box style, tunnel dryers, sludge dryers and ovens by Auto Technologies, Conrec, Carlson Erie, Desco, New Holland, and Nobles

EXHAUST SYSTEMS - Hoods, ducts, fans and systems by Duall and Carlson Erie

EVAPORATORS - Atmospheric and vacuum by Poly Products and Draygon Enterprises

FILTERS - Bag, carbon, cartridge and permanent disk filters by Conrec, Mefiag, Penguin, Sethco and Serfilco

HEAT TRANSFER - Electric immersion, steam coils, plate coils, Teflon coils, cooling coils and external heat exchangers by Protec, Titan Metal and Trantner

HOISTS - Automatic lines, manual hoist lines by Aucos, Auto Technologies and Palm

MASS FINISHING EQUIPMENT - High energy equipment, centrifugal disks, vibratory equipment, media, and compounds by Finishing Associates and Abbott Ball

PLATING BARRELS - High performance horizontal, portable, clamshell and oblique barrels, gears, shafts, bushings, doors, danglers and all accessories by Core Plating Technologies, Hardwood, Sterling and Auto Technologies

PUMPS - Air diaphragm, magnetic drive, horizontal centrifugal, vertical centrifugal metering and drum pumps by, ARO, Finish Thompson, Gorman Rupp, LMI, Lutz, March, Penguin, Price, Pulsafeeder, Sethco, Serfilco, Webster, Wilden and many others

RECTIFIERS - Power supplies by Aldonex, Darrah and Rapid-Dynapower

TANKS and LINERS - Polypro, PVC, PVDF, Koroseal, steel, stainless and titanium from Chemtainer, St Gobain, Meadville New Products, Carlson-Erie and FC Witt

TESTING EQUIPMENT - Hull cells, environmental test chambers, reagents and lab supplies by A Brite, Auto Technologies, GLI-Hach, Kocour and Pulse Instruments

ULTRASONICS - Heated ultrasonic tanks, drop-in immersible transducers, agitating lifts and automatics by Blackstone-Ney

WASHERS - Cabinet, helix drum, rotary table, rotating basket, horizontal belt, inclined belts, walking beam and monorail systems by FMT

WATER PURIFICATION - DI units, micro filters, RO systems, carbon filters, clarifiers, filter presses, sludge dryers and treatment modules by ACS and Kontek Ecology

Many additional items and vendors available upon request
